<u>Alternative Session</u> Structured Abstract Proposal Submission Guide

Word count guidelines: 200 – 400 words

Title

   Title of proposed session

Introduction

   What is the purpose? Summarize the problem, gap, and/or need.

Session Summary

   What will the session cover? Summarize the content of the session.

Session Outline

   How will you spend the session time? What will the session entail? How will participants experience or interact within your session?

Target Audience

   Who will benefit from this session and why?

Learning Objectives

   What should participants learn or take (knowledge, skills, abilities) from your proposed session? Learning objectives should clearly be linked to session content.
